Cameron Cook has been transferred to the post office of Coralville, Iowa, his home area. Kayla is hoping to find a job in that area soon. We wish Cameron

God's continued blessing! The couple plans to come back to this area for their wedding on May 18, 2018! Congratulations to you both.

Next Sunday will examine **diversity**. William and Hannah will share about their recent trip to Turkey and Marilyn will share about her experience at Orlando. We follow a God who created diversity. Learning to appreciate that diversity is part of our job as a church community. Read Acts 10: 34-35 and be ready to talk about opening our minds, hearts, and spirits to a God who desires to bind us together!

**PROPS NEEDED:** The Worship Planning group is in need of items for the children's activities for July. If you have any of the following would you please put them in kitchen: Pantyhose or knee high stockings in various shades of tan, black, white, pink, yellow and red. We will also need the following: yarmulke (Jewish head covering), Burka (worn by Muslim women), Sari, Kimono or any other clothing from different cultures. Please see Susan Moyer, Viv Jaberg or Karen Steiner if you have any questions.

There are still several tickets available for our **evening at Blossom**. Please see Mona if you would like tickets, which have been paid for by our Jubilee Fund.

The event **Barberton Better Block** is being held Friday and Saturday, July 28 & 29. The volunteer signup is open on [www.barbertonbetterblock.com](http://www.barbertonbetterblock.com) and there you can see what slots are available and sign up for what you'd like to help with and what time. There are volunteer opportunities for before, during, and after the event, and there is something for anyone and everyone to do. There will be things to start getting set up on Wednesday and Thursday as well. There is much more info on the website. All volunteers will get t-shirts. PLEASE do not hesitate to contact Hannah with questions about this event. This is an amazing way to organically be involved in and learn about our community.
